EXPERIENCES

Guest Services Associate - Part Time

Dubai Opera

January 2026 - Present

- Maintain a high standard of guest relations during peak performance hours, providing agile support across ticketing, ushering, and VIP lounge areas.
- Demonstrated strong situational awareness, identifying and resolving potential safety or service bottlenecks before they impacted the guest experience.

Front-End Developer

October 2025 - Present

- Created 10+ high-fidelity, interactive prototypes in Figma, establishing complete design systems and user flows prior to development.
- Developed and launched Navillera, a fully operational e-commerce website featuring product listings, a cart system, and a checkout system.

Burger King Crew Member - Internship

Olayan Food Division

February 2024 - May 2024

- Thrived in a fast-paced environment requiring efficiency and attention to detail, with a strong emphasis on communication and teamwork.
- Developed useful experience in team problem-solving, customer service, and personal growth, giving me the fortitude and abilities to face obstacles head-on in the future.

Volleyball Assistant Coach

One Dela Cruz Academy Dubai

June 2023 - June 2024

- Assisted coaches in teaching volleyball fundamentals and conducting advanced training sessions, contributing to the development of players at all levels.
- Enhance coaching abilities and performance as a player.

EXTRA-CURRICULAR ACTIVITIES

- **FIRST FOOD SERVICES LLC, Student Work Immersion Program 2024** - May 1, 2024. Dubai, United Arab Emirates.
- **Sololearn, Introduction to Python Certificate** – Online Learning Platform – Date Completed: 11/28/24

ADDITIONAL INFORMATION

- **Languages:** English, Tagalog.
- **Technical Skills:** Basic knowledge of Figma, Microsoft, Python, CSS, and HTML, experience with editing programs, and a fair foundation in software development concepts, with a continuous eagerness to learn and grow in new technologies.
